

ELEMENTS OF THE STATUTE

DECISION 50726/2006

TITLE: SUPPLEMENT OF INTERNAL AGENCY REGULATION OF THE ATHENS COURT OF FIRST INSTANCE.

---

We hereby order: The promulgation on the Official Gazette of the Internal Agency Regulation supplement of the Athens Court of First instance, as supplemented under No.2/2006 order of the Athens Court of First Instance Plenum, which is as follows: We hereby decide the supplement of the Internal Agency Regulation of the Athens Court of First Instance regarding the hearing of cases concerning "Community Trade Mark" and "Copyright" as follows: A) The establishment of a department for the hearing of cases concerning copyright and for the hearing of cases concerning community trademarks, under the jurisdiction of which shall be the hearing of cases concerning national trademarks and the hearing of cases referring to patents, certificates of utility models, technology transfer, topography of semiconductor products, protection certificates, industrial designs and models and in general, all cases regarding patents that are under the jurisdiction of civil courts. B) The above cases which are under the jurisdiction of Multi-member Court, should be defined in the cause list F1 and should be litigated by the compositions of A and G Trade Department, alternately. C) The cases that are under the jurisdiction of the Single Court should be defined in cause list F and litigated by one of the judges serving in the aforementioned departments, i.e. in the compositions of A and G Commercial Department. Judged, decided and promulgated in Athens on April 6 This decision shall be promulgated in the Official Gazette.
